Who is Aggreko energy transition solutions?
Aggreko Energy Transition Solutions (ETS),a division of Aggreko Ltd.,develops,owns,and operates utility scale and distributed solar and battery storage projects across the United States. ETS generates value by providing turnkey energy transition solutions to its customers that deliver affordable,reliable,and clean power.

Who is Aggreko?
Aggreko is a global leader in providing energy solutions that help businesses grow and communities thrive. Operating in a rapidly changing energy market where reliable supplies of energy have never been more critical,we provide customers with power and temperature control solutions when,where and for however long they need it.

What makes Aggreko ETS different from Infiniti?
Jerry Polacek, President of Aggreko ETS, commented, "Combining the global scale, financial strength, and industry expertise of Aggreko with Infiniti's distributed solar development and engineering, procurement and construction ("EPC") capabilities uniquely positions us to deliver turnkey decarbonization solutions to our customers."

Why did Infiniti acquire Aggreko?
This strategic acquisition significantly expands Aggreko's distributed solar capabilities and asset base, by integrating Infiniti's expertise in solar design, engineering, procurement and construction (EPC), together with its pipeline of onsite decarbonization projects.
