# American Samoa phanes group

2. Where Should You Go? American Samoa is made up of five islands and two coral atolls. Tutuila is the largest island, the location of the international airport, and the point where you will enter and exit American Samoa. It"s worth spending at least 2 to 3 days on Tutuila, to visit the beaches, villages, and day trip out to Aunu"u Island.

This agreement between the United States, Germany, and Great Britain split the islands into two parts: the eastern islands became American Samoa (a U.S. territory), and the western islands became German Samoa (later Samoa). After World War I, the western islands were administered by New Zealand before gaining independence in 1962.
