Andorra is a small country located in the eastern Pyrenees mountains between France and Spain. It has an area of 468 square kilometers and a population of around 85,000 people. The capital and largest city of Andorra is Andorra la Vella. Andorra has an alpine climate with warm, dry summers and cold, snowy winters due to its high elevation.

In the heart of the central park of Andorra la Vella, a change of scenery is guaranteed, whether thanks to the unique decor, the festive atmosphere and the impeccable and warm service. This place has become in a few years a must for gastronomy in Andorra and a place of choice to prolong the night with the best dj sets and cocktails in the ...

Although not a member of the European Union, Andorra has used the euro as its de facto primary currency since 2002. In July 2011 Andorra concluded a monetary agreement with the EU that made the euro its official currency, although the Andorran government was not granted the power to issue its own euro banknotes. No railway system exists, but good roads ...
