It was simple and we like to think elegant. The three diamonds were an abstract symbolism of the sun, a daystar, the inspiration behind our company name. Just as the rising sun signifies a new day, the rising adoption of solar represents a turning point for sub-Saharan Africa"s energy needs. Solar power is clean, affordable, and reliable.

And Dami Im, who first captured our hearts when she won The X Factor Australia in 2013 and represented Australia at Eurovision in 2016, also can"t wait to perform for the second time at Australia Day Live, following on from her 2018 Australia Day performance.
