Azerbaijan nusun power

Is nusun power a good company?
NuSun is a fine companywith many respectable integral salesman,sad to see it blasted on here Just had a surprise visit from a sales rep for Nusun Power...felt weird letting him look up my electric account and resetting my pw which I immediately re-set after he left! DUH.

How did nusun make solar power affordable?
Nusun gambled on a hunch and used a cutting-edge marketing approachgeared towards making solar power accessible and affordable for most Americans,regardless of their budget or the size of their property. The theory paid off in a big way,with Nusun posting record sales numbers in 2021 and 2022.

Why should you choose nusun?
As the demand for solar power continues to grow, Nusun is well-positioned to continue its success and to help more people enjoy the benefits of this clean, sustainable energy source. Solar power has emerged as one of the most popular forms of renewable energy in recent years, with more and more...

Does nusun require batteries?
NuSun's primary installer requires batterieswhen selling in Nem 3.0. I've never sold a post Nem 3.0 account without a battery,nor have I seen another sell one. However,if anyone is attempting to sell you solar,a customers responsibility is to check their system specs,and verify it matches or exceeds their needs.

Why does nusun not pay me?
It's no secret that there are bad Solar salesman in the game, there are bad apples in any field- however, NuSun has never failed to pay me. Sometimes account funding takes longer than I'd have anticipated, but that's at fault of the installer, not NuSun. Adding to that, choosing to use poor installers; Lux, Core, Titanium, etc.

The latest one is from Nusun Power, does anyone have experience with them? From a first glance, it seems like a getting rich fast type of business especially when the official company instagram promotes how well their sales associates do instead the value it ...
