Swatten"s F1 Series is a stackable Battery Energy Storage System (BESS) designed for residential and small commercial use. The system is modular, supporting 3-8 modules with total energy capacities ranging from 9.6kWh to 25.6kWh.

Swatten is our answer to a holistic home energy storage system. Our offerings include single and three-phase hybrid inverters, modular rack-mounted batteries, and stackable battery units, addressing the core energy storage needs in Europe, the Middle East, and Oceania.

Swatten says the H1 can provide whole-home backup functionality and multiple modes: self-generated, zero power feeder (assumed to mean zero export), VPP, battery-free, and battery-free & gridless. It can switch to off-grid in under 10ms.

Swatten"s products include single-phase and three-phase hybrid inverters, rack-mounted and simple-stack batteries, covering a wide ranze of mainstream residential solar inverter and energy storage system markets such as Europe, Middle east and Oceania.

Shanghai Sieyuan Watten Technology Co., Ltd. Member of Sieyuan Electric Co., Ltd. Powered by Sieyuan · Easy installation,stackable design with MC4 connectors · Lightweight modules, 35kg per module · IP65 protection rating · 10 Years warranty & 6000 Cycle life · Dual-laver insulation protection for battery cells and BMS ...
