Barbados portable solar generator with solar panels

If you already have 240V appliances at home or in your RV or boat (e.g. a water heater, cooking range etc.), then it makes sense to get a 240V solar generator to power them. A 240V solar generator is also ideal if you are planning to buy some 240V appliances. You can power these appliances off-grid or keep them running in case of an emergency.

Two sturdy easy-grip handles make it one of the most portable solar generators around. The versatile trolley with a pull-out handle makes moving the generator a breeze, especially for the elderly and disabled. ...
