Bolivia sun collectors

Does Bolivia have a stamp?
Bolivia has commissioned the printing of its stamps to a wide range of foreign printing houses. Bolivia joined the UPU in 1886. Until the present day Bolivia has issued stamps mainly with themes of national interest.

Why are Bolivia's stamps called Correos de Bolivia?
Stamps from Bolivia are marked as Correos de Bolivia. Tensions between Chile and Boliviahave influenced both countries' stamps and postal history. During 1867-2017 Bolivia has issued more than 2270 postage stamps. Top ? Up to 1895 postal routes were composed mainly of the Oruro-Antofagasta railway,riders on horseback and river boats.

When did Bolivia join the UPU?
Bolivia joined the UPU in 1886. Until the present day Bolivia has issued stamps mainly with themes of national interest. British stamps were used between 1865 and 1878 at the port of Cobija,which no longer exists,and they may be identified by the cancellation C39.

Who is 'Bolivia's leading archaeologist'?
Julian Steward's review in Science referred to Posnanskyas "Bolivia's leading archaeologist" even though he heavily critiqued his methods,and added that the book "is mainly of interest in illustrating how a scientist,working alone and without reference to his colleagues,arrives at results wholly at variance with theirs."

Between 1972 and 1995, the Michel catalog lists a significant number of souvenir sheets issued - almost 200. These sheets - that would seem to be aimed at the thematic collectors market - were issued by the postal authorities on behalf of the Bolivian Philatelic Federation to raise funds for philatelic exhibitions in Bolivia.
