Bouvet Island cola solar

??????SPI(Solar Power International)????????????? ????????(SEPA)??????????(SEIA)????? ??????????????????????

The company"s "Solar EV System" can be connected with charging stations to fuel electric vehicles with green energy from the pavement. The solar paving generates clean DC electricity, which is inverted into AC before being fed to the power network.

We installed a solar farm on our property in 2010, which generates clean energy to power our facilities. In addition, we have implemented recycling programs throughout the track to reduce waste and promote sustainability.
