I completed my course of study graduating in Electronic Engineering with biomedical direction, as a synthesis of my two eternal passions, electronics and medicine, maturing the firm conviction that, of all that I had studied, of one thing I would never busy: process engineering.
As you wanted to demonstrate: from then until today I have done almost nothing else!
Over the ...

Attività . La forza di STC POWER risiede non solo in un reale know-how, cioè una reale competenza sia nella fase di progettazione sia in quella di realizzazione degli impianti, ma soprattutto nella conoscenza del know-why: la capacità di individuare le reali esigenze del cliente e proporre la soluzione ottimale e vincente.

The deadline has now passed for Bulgaria"s EU-backed support scheme for standalone energy storage, and the bids submitted amount to four times the available capital available. ... Rongke ...
