Cabo Verde babcock

What is the history of Cabo Verde?

history of Cabo Verde,a survey of the important events and people in the history of Cabo Verde. The islands off the west coast of Africa that constitute Cabo Verde were uninhabited until they were colonized by Portugal in the mid-15th century.

Where is Cabo Verde located?

Cabo Verde,country comprising a group of islands that lie 385 miles (620 km) off the west coast of Africa. Praia,on Santiago,is the capital. Cabo Verde is named for the westernmost cape of Africa,Cape Verde (French: Cap Vert),which is located in nearby Senegal and is the nearest point on the continent.

Is Cabo Verde a Portuguese name?

In October 2013 the government requested that the Portuguese version of the country's name,Cabo Verde,be used as part of the country's official name when it was rendered in other languages; previously,the rendition of the country's official name had varied by language --such as the widely used English translation,Cape Verde.

Why is Cabo Verde called Cape Verde?

Cabo Verde is named for the westernmost cape of Africa,Cape Verde (French: Cap Vert),which is located in nearby Senegal and is the nearest point on the continent. The largest port in the islands is located at Mindelo,on São Vicente. Its deepwater harbour accommodates sizable vessels and has been used as a fueling station since the 19th century.

Why was Cabo Verde important?

Cabo Verde served an increasingly important role as an offshore entrepôt with the development of the triangular trade,by which manufactured goods from Europe were traded for enslaved people,who were sold in turn to plantations in the New World in exchange for the raw materials produced there; with these the ships returned home.

Is Cabo Verde a sustainable country?

Cabo Verde is a leader in renewable energyin sub-Saharan Africa. Currently,20% of its energy comes from renewable sources,and the goal is to increase that to 50% by 2030. In 2023,Portugal signed an agreement to forgive EUR140 million of Cape Verde's debt in exchange for the country investing in environmental projects.
