Cadenza company Luxembourg

Who is Cadenza Innovation?
Cadenza Innovation Inc. is an American developer and designer of lithium-ion battery technologies and energy storage solutions. The company was founded in 2012 by inorganic chemist and battery researcher Christina Lampe-Önnerud. Cadenza licenses its lithium ion cell architecture to global manufacturers for various energy storage applications.

What is Cadenza?
Cadenza is a company founded by Dr. Christina Lampe-Onnerud,a pre-eminent battery expert in the world and former CEO of Boston-Powerthat focuses on innovation and deep battery industry experience.

What makes Cadenza Innovation unique?
Cadenza Innovation offers unique cell designs that combine the best properties from wound jelly rolls and large prismatic cells. This allows for game-changing safe,reliable,high energy density solutions at low costfor EV,PHEV,energy storage,telecom,and other specialty markets.

Where is cadenza headquartered?
The corporate headquarters is located in Danbury,Connecticutinside The Summit at Danbury office complex. In 2021,Cadenza announced a partnership with Rockwell Automation to establish high performance battery cell production lines.

What is Cadenza Innovation's supercell battery architecture?
Cadenza Innovation's supercell battery architecture is designed to stop propagation during thermal runaway. The design of the batteries combines properties from wound jelly rolls and large prismatic cells to form highly dense lithium-ion battery structures.

What is a Cadenza Innovation back-up power system?
Cadenza Innovation offers safe and reliable back-up power systems suitable for most IT installations in schools,libraries,and businesses. These units can be tied to solar,wind,or other electrical generation and can be configured for remote area use as a standalone product or in combination with another renewable energy source.

Cadenza Innovation is offering one of the safest and most reliable energy storage systems for power backup in hybrid, off-grid, and grid-connected telecom sites. Based on patented battery technology, this Cadenza energy storage system enables higher performance, lower maintenance, and a lower carbon footprint, all resulting in a lower total ...

The Cadenza Company School of Music"s first lesson is FREE, so whether you"re dreaming of becoming a guitar hero, piano master, or singing superstar, now"s your chance to learn and have fun. Let"s make this

school year musical! ? ? Call us today at 469-226-0449 or email us at info@thecadenzacompany to book your free lesson!

From 2014 to 2017, André wrote, recorded and performed as lead singer and multi-instrumentalist for his original alternative pop band, Forever Canvas, as well as keyboardist for Boston-based instrumental, progressive rock band, Zombie Frogs.He now produces the music for his solo project, Andreäs.
