Did Christmas Island propose a wave generator?
This is all a bit late,and sad,several years back the residents of Christmas Island proposed a wave generatorand had and were denied the opportunity and so now at the 11th hour they propose a poor cousin.

We would expect a 6kW solar system in Christmas Island to produce 26.40kWhs of solar energy over the course of a year. How much this is actually worth depends on how much you pay for power and how much solar power you send to the grid. A 6kW solar power system is shown here - commonly 17 x 370W panels are used to get to 6.3kW.
