Clear energy solutions Monaco

What is Clear Energy Solutions?
Clear Energy Solutions Inc. (CES) is a company that provides Electrical Contracting Services and Renewable Energy Solutions. Based in Greater Vancouver and the Sunshine Coast,we serve Commercial,Residential,and Light Industrial Clients throughout BC,and provide renewable energy applications everywhere.

What services does Clear Energy offer?
Clear Energy offers multiple options based on your budget and goals for all facets of a structure's energy use. Our principals have custom-engineered lighting retrofits for hundreds of millions of square feet.

Is Clear Energy a good company for schools?
Clear Energy has saved a school about $1,000 a month on their water bill and I would definitely recommend them to other schools. Their versatility in the things they do was evident even beyond their original scope of work.

Clear Energy delivers practical, economically sound solutions for lasting energy efficiency. We work with a broad spectrum of clients to create efficiencies in their warehouses, office buildings, factories, libraries, concert halls, retail outlets and other facilities.
