HEC Paris has signed joint and/or double degree agreements with 11 academic partners. Each year, this network of international academic partners supports the mobility of about 160 HEC Paris students (more than 110 in North America and around 50 in Latin America).

HEC Paris offers a complete range of training courses for the leaders of tomorrow: the Pre-Experience Program, specialized masters, MSc, the Summer School, the MBA, the Executive MBA, the TRIUM Global Executive MBA, the PhD, as well as a wide variety of programs targeted to leaders and managers.

Today, more than ever, HEC Paris is delighted to announce the creation of a new double degree in cooperation with Columbia Climate School, which will enable all HEC students to benefit from this dual training, whatever their level of entry to the Grande Ecole Program.

The report OECD Regional Outlook 2023 reviews recent trends, policy developments, and prospects across OECD regions, including the underlying causes driving regional inequalities in performance and well-being. The report offers evidence, guidance and policy recommendations on how to improve competitiveness and productivity, promote ...
