Adale was mentioned in the Periplus of the Erythraean Sea, written by an anonymous writer who lived in the first century AD when Egypt was occupied by the Romans.Adale then appeared in the reports of Ibn Batuta and other explorers from Andulus. When the trade between East Africa, Arabia, and India boomed in the 1700s-1800s, Adale bordered the 10-mile strip of the Benadir ...

When working on a recent project for a customer requiring additional power on one of its oil platforms, a power supply expert encountered a rather considerable challenge that needed to be overcome. The main electrical power supply to the platform is imported over 40km from a third-party operator"s facilities through a 33kV subsea cable link.
