Postal Affairs of St. Christopher & Nevis. The first recorded postal markings for St Christopher dates from 1746, although it is probable that a branch of British General Post Office operated on the island before that date. Control of Postal Services was passed to local authorities around 1858. Learn More

What To Know About The Federation Of Saint Kitts And Nevis Saint Kitts and Nevis is made up of two islands - Saint Kitts is the larger one. The smaller island, Nevis, is located just 2 miles across The Narrows Channel. They were some of the first islands in the Caribbean to the colonized by the British and the French.

The USD-70-million (EUR 57.6m) project will build a 35.7-MW solar photovoltaic (PV) plant and a 14.8-MW/45.7-MWh lithium-ion battery storage system, which are set to become the largest facility of this kind in the Caribbean, according to Leclanche.
