Energon energy solutions Timor-Leste

How many people benefited from a rural energy programme in Timor-Leste?
The programme reached 1,875 individualsin 375 households,with multiple impacts on quality of life,income and livelihoods. The programme also developed a national Rural Energy Policy,creating an overarching framework for future government activities in improving rural energy access in Timor-Leste.

Does Timor-Leste have access to energy?
Access to energy remains a concerning challengefor many in Timor-Leste. The centralised nature of the local electricity supply chain has traditionally kept consumers reliant on the national grid to overcome chronic energy shortages.

Is there a market for roof-top solar energy systems in Timor-Leste?
Australia's Market Development Facility (MDF) and ITP Renewables conducted an assessment of the potential market for roof-top solar energy systems in Timor-Leste.

Could Timor-Leste be a cost-efficient alternative energy solution?
The Operations Management Team started weighing the feasibility and working on a cost-efficient alternative energy solution in 2016-2017 when Timor-Leste was facing high electricity costs and increased CO2 emissions. "In Timor-Leste, our road to the 2030 Agenda for Sustainable Development starts at home.

Is Timor-Leste a good country for solar energy?
Timor-Leste has a high-quality solar resource. The global horizontal irradiance in Dili is higher than on the east coast of Australia,where the solar market is mature and installation costs are higher. The cost of electricity in Timor-Leste for commercial and industrial consumers is high compared to ASEAN countries.

Does predp paved the way for future energy access in Timor-Leste?
Conclusions Although PREDP was a pilot programme,it has paved the way for future energy access activities in Timor-Leste. It was the first rural energy programme in Timor-Leste to include a capacity development component,and to have the GoTL and local communities as major partners.

Almost 20 years since the Popular Consultation that led to the restoration of independence in the country in 2002, Timor-Leste has made significant progress. With a continued show of resilience and resolve, it has demonstrated strong commitment to reconciliation and reconstruction, as well as to human rights and democracy.
