Enphase battery storage St Vincent and Grenadines

The IQ PowerPack 1500 is designed to provide battery backup, helping to ensure essential electronics stay up and running during power outages. It also supports off-grid adventures, such as camping, and is easily transported with a folding cart (sold separately) that securely holds the IQ PowerPack, even on rugged outdoor terrain.

I had my Enphase battery installed in the garage. No way I"d mount a big pack of Li-Co batteries on a wall inside my home. Li-Co batteries are also likely what recently sank a cargo ship full of VW Group vehicles - some of which were EVs.

Founded in 2008, EcoDirect is a value added distributor that can help Vincentians homeowners, businesses and commercial projects on St. Vincent, Bequia, Union Island, Canouan and throughout St Vincent and the Grenadines with project ...
