Friem s p a Suriname

Het internationaal credit rating bureau, S& P Global Ratings (Standard & Poor"s), heeft de rating van Suriname positief bijgesteld. Vanwege de macro economische ontwikkelingen,waaronder de verschillende hervormingen en de recente schuldherschikking, is Suriname uit de "Selective Default SD" s. Maandag 18 November 2024.

The Suriname government on Oct. 26 failed to make a coupon payment on its $550 million 9.25% bonds due in October 2026, and the rating agency believes the government will be unable to pay within 30 days past due date. Along with the standstill proposal, the recently elected government announced that it will commence talks with bondholders to ...
