Ghana terrafirma solutions

Who is Terra Firma solutions?
Terra Firma Solutions is a turnkey energy engineering solution providerbased in sub-Saharan Africa. It delivers a start to end solution,beginning with strategy development,and leading to project implementation,support and maintenance.

How does Terra Firma work?
Terra Firma is able to provide fully-financed solutionswhere all ownership and operations responsibility rests with us. Businesses are then free to allocate capex to other,better-suited areas of the operation. Contract periods from 10 to 25 years can be provided.

What equipment does Terra Firma use?
Terra Firma only works with quality,approved equipment to ensure that maximum yields are achieved with the best possible return on investment. We only use tier 1 modules(solar panels) and tried-and-tested inverter and battery storage manufacturers that have long-term warranties.

Terra Firma Solutions is a turnkey energy engineering solution provider based in sub-Saharan Africa. It delivers a start to end solution, beginning with strategy development, and leading to project implementation, support and maintenance.

We have extensive experience in the design and construction of clean energy solutions to commercial and industrial customers. We are specialists in solar PV and battery energy storage (BESS) technology, and integrating these with generators and grid supply.

Across the continent, Terra Firma provides solar PV solutions. A highlight project for us, far from home in Accra, Ghana. A ground mount solar project for the greenest data centre in Africa...

Supplying Human Resources Management, Program Management, and Credentialing Coordinators to name a few, Terra Firma Solutions, keeps your program running smoothly across the nation.

Whether the need is a fully managed long-term solution, or immediate emergency support such as a short-term aircraft rental, parts procurement or ground support, Terra Firma Solutions we will bring real-time value-added solutions, decreasing downtime and keeping your program on track.

Terra Firma is able to provide fully-financed solutions where all ownership and operations responsibility rests with us. Businesses are then free to allocate capex to other, better-suited areas of the operation. Contract periods from 10 to 25 years can be provided.
