Government of Gibraltar is inviting bids from economic operators to design, install, operate and maintain a PV Panel installation on the south eastern side of the airport apron. Remuneration would be via the sale of power generated by these panels through a power purchase agreement as specified in the Tender Documents.

The Government has presented details of a solar power scheme they hope will produce approximately 10% of Gibraltar"s average power consumption. The scheme, Park Solar, envisages photovoltaic panels being installed on the roofs of the Gibraltar Airport, the Europa Business Centre and Mid Harbours Estate.
