Grenada top solar panels 2024

Installing a solar energy system on your home or building has never been easier. Call or email Power Shift and we will explain each step of the process and provide a free estimate for your ...

Lightwork Power Caribbean is based in Grenada and we design and install systems that are designed with all the Caribbean considerations, codes and characteristics in mind. Quality equipment installed by our qualified electricians with zero shortcuts.

Developing a diverse, integrated energy portfolio is an investment in the future. Grenada"s energy portfolio needs to secure safe, reliable, high-quality electricity at the lowest possible cost for all citizens.

Most of Grenada"s energy is produced from thermal generator plants, and over one hundred and fifty million dollars are spent on fuel for these generators annually. We intend to reduce this significantly in the coming years by having more solar plants installed.
