# Guinea astronergy solar panels review

Anyone have any experience with Astronergy panels? I"ve only had 1 installer quote using these panels and I really can"t find much about them anywhere. I"ve been using the compare solar panels tab from solarquotes which seems to have everything else... Red flags? The same company also quoted with a Solis inverter, The whole thing was very cheap ...

Was ist Astronergy? Astronergy ist ein Hersteller von Solarmodulen und ein Teil der Chint Group, einem chinesischen Unternehmen im Bereich der erneuerbaren Energien. Astronergy setzt auf hochwertige und leistungsstarke kristalline Solarmodule, die sowohl im privaten als auch im gewerblichen Bereich eingesetzt werden.

We have been in the solar installation business for 15 years. In that time we have only had manufacturer induced solar panel failure once. When 40% of the modules in a given array fail, most manufacturers consider it a five alarm fire; and immediately move to support the customer; not Astronergy: Astronergy had us send two solar panels back to China for ...

Astronergy Solar Panel Review. The company"s production lines produce solar cells from high quality silicon wafers and assemble these cells into solar modules of varying dimensions. The PV modules come in Crystalline &  Thin Film series. It offers a wide range of efficient monocrystalline PV modules with output ranging from 85W-310W and ...
