GWL offers a comprehensive portfolio of services for domestic and overseas customers, including sea transport (break cargoes and container cargoes), air transport, inland transport, warehousing, and customs clearance. In addition, GWL has rich experience in moving heavy cargoes, project cargoes and oversized cargoes.

GridFree menic s limiterem je resení pro sítové fotovoltaické elektrárny. Pracuje obdobne jako jiné GridFree mikromenice, ale navíc dovede omezovat vlastní výkon dle aktuální spotreby, a tedy zcela zamezit pretokum do verejné síte. Tyto menice jsou navrzeny pro vnitrní pouzívání, a krome klasických svorek pro pripojení solárních panelu nebo baterie a ...

Ghana Water Ltd. (GWL) is the sole government owned water utility company. It is responsible for the production, transmission and distribution of water in urban areas in Ghana.
