Hitek energy co ltd Cocos Keeling Islands

Viva Energy is responsible for the delivery of fuel to Cocos Keeling Islands, Australia"s most remote community, and an unfortunate series of events late last year has led to a shortage of premium unleaded fuel on the islands. Viva Energy has been actively working on alternative supply solutions. We take our responsibility for supply to the ...

If going with the flow is how you roll, you will love the Cocos Keeling Islands. They have a small - very small - country town vibe. Your activities revolve around the exquisite lagoon whether they be snorkelling, diving, fishing, parasailing, or just relaxing under a coconut palm reading a book while inhaling the frangipani infused air

Exploring the Cocos Keeling Islands is a journey best experienced on the water, where each tour provides a new perspective of the two atolls" marine world. ... The Cocos Malay people lived in a paternalistic system where they were paid in company currency, only useable in Clunies-Ross stores, and were bound by strict social rules imposed by ...

Scuba diving at Cocos Keeling islands is nothing short of spectacular. Fabulous visibility, pristine coral reefs, abundant marine life and all the trappings of a tropical paradise without the flashy resorts. Yes, it is isolated and it takes some effort to get there, but this is more than offset by the quality of the diving, the friendly locals ...
