What is Solartech?
Solartech is the largest annual solar power show in ASEAN. We meet so many new and old clients. We support Solartech and Solartech supports us as always. Every year,our company will participate in Solartech and we will book the best seats every year. This means that this award becomes a market share for meeting old and new friends.

The project was a joint venture between Indonesia"s state utility company and Masdar, a United Arab Emirates-based renewable energy company. It highlights the potential for foreign companies to be involved in Indonesia"s solar power growth and signals a favourable regulatory and economic climate for investors. The Cost of Solar Panels in ...
