Intilion battery Mali

What is intilion energy storage?
INTILION offers you innovative and clean lithium-ion energy storagesolutions for stationary energy storage.

Who offers the best lithium-ion energy storage solutions?
INTILION AG,a company of the HOPPECKE Group,offers the ideal lithium-ESS energy storage solutions to meet your challenges. It is specialised in the supply and installation of lithium-ion energy storage solutions with storage capacities ranging from 70 kWh to 100 MWh.

Who is intilion?
It is specialised in the supply and installation of lithium-ion energy storage solutionswith storage capacities ranging from 70 kWh to 100 MWh. Both standard and customised solutions are offered for commercial,industrial and grid applications. visit INTILION.com

The INTILION | scalestac battery system is connected to two existing PV systems with a total. Learn More > Energy storage provider INTILION postpones planned IPO Paderborn, 10 July ...

In addition, we have developed an innovative fire protection enclosure for the battery modules as part of a comprehensive protection concept. With its fully mechanical construction, the fire protection system by INTILION reliably and securely meets all fire protection requirements according to VDE-AR-E 2510-50. More >
