# Isle of Man solis distributor in

Is Solis a good company?
Solis is one of the top solar inverter manufacturers in the world,and a company that focuses on string inverter innovation. This year is Solis' 15th year of operation and the company's mantra has always been the same - 'Developing technology to power the world with clean energy'. Why are Solis products so popular around the world?

Why is Solis a successful inverter supplier?
Solis has enjoyed significant success globally,including in the US and Europe. 'Solis is successfulbecause we are close to our clients,and we know what our clients need',said Lei. 'For instance,we are one of the first inverter suppliers to offer 7-10kw single phase inverters with 3 MPPTs and three phase inverters with 220V output in Brazil'.

Why is Solis so successful?
Innovation for clients. Solis has enjoyed significant success globally, including in the US and Europe. 'Solis is successful because we are close to our clients, and we know what our clients need', said Lei.

What is a Solis 3 phase inverter?
For single phase, Solis can offer from 700W to 10kW and for three phase, the company has solutions from 10kW to 110kW in Brazil. Solis three phase inverters always have more MPPTs than other alternatives, so the inverter will be safer on the DC side and is better protected against overvoltage and overcurrent.

Manx Petroleum - The Islands Leading Fuels, Lubricants &  Heating Services Provider Manx Petroleum was established in 1926, operating from its Douglas Depot, where we continue to serve all markets within the Isle of Man...
