Ivory Coast a

Canada and Ivory Coast shared a brief common history in the fact that both nations were once part of the French colonial empire.During that time period, many Black Canadians today trace their ancestry to West Africa as their ancestors were brought directly to Canada as slaves by the French West India Company or brought in from the United States by traders. [1]

Education: The public education system in Ivory Coast is way behind that of many Western countries. It is underfunded and overcrowded. Children ages 5 to 15 enter school for free, and they are taught in French. The most notable in the country is the International Community School of Abidjan, Morning Glory International School, and the Private ...

The Republic of the Ivory Coast, on the south coast of the western bulge of Africa, is bordered to the north by Mali and Burkina Faso, to the east by Ghana, to the south the Gulf of Guinea of the Atlantic Ocean and to the west by Liberia and ...

Background. Various small kingdoms ruled the area of Cote d"Ivoire between the 15 th and 19 th centuries, when European explorers arrived and then began to expand their presence. In 1844, France established a protectorate. During this period, many of these kingdoms and tribes fought to maintain their cultural identities - some well into the 20th century.

Ivory Coast has a brown-water navy whose mission is coastal surveillance and security for the nation"s

340-mile coastline. [14] The operational capability of the navy was severely degraded due to the diversion of resources to the army and air force during the civil wars, and it remains incapable of conducting operations beyond the general ...

Five important states flourished in Ivory Coast in the pre-European era. [5] The Bono kingdom of Gyaman was established in the 17th century by the Abron, an Akan group that fled the developing Ashanti Empire in Ghana. [6] From their settlement south of Bondoukou, the Abron gradually extended their dominance of the Juula, recent emigrants from the market city of Begho. [6]
