Jiangsu battery Iraq

Intelligent balancing strategy ensures consistency throughout the battery"s lifecycle; intelligent operation and maintenance system automatically conducts remote operation and maintenance work based on safety assessments.

Maya factory is an international lead- acid battery manufacturer that operates under international standards. a market leader in Iraq, our facility is equipped with cutting-edge European technology. Robots complete all tasks autonomously to preserve product consistency.

HIGHSTAR showcased its Tabless and sodium battery at the Battery Experts Forum in Germany, officially launching its latest Tabless cell series. The groundbreaking structural design significantly boosts battery performance, demonstrating exceptional capabilities and broad application potential.

?????????,????????????????????????????,??

The R& D project of novel LMFP cell with the characteristics of high safety, long service life and wide temperature range, was initiated by Far East Battery Jiangsu Co., Ltd. (a branch company of Far East Smart Energy Co., Ltd., hereinafter referred to as Far East Holding, stock code: 600869), and has been successfully listed in Yixing 2021 ...

Jiangsu Higee Energy Co., Ltd. (Higee), established in 2016, a subsidiary of Jiangsu Baichuan High-Tech New Materials Co., Ltd. (Stock Code: 002455), specializes in research and development, production, sales and service of lithium-ion batteries, battery packs and systems for energy storage, with a product positioning of "pan-energy storage ...

GSL Energy recently stated that the 384V high voltage solar LiFePO4 lithium battery storage system has been successfully put into use in Iraq for United Nations project. This project is located at the teaching building of University of Sulaimani, which aims to alleviating electricity shortages at university.
