Marketer at Kibwezi-Makindu Water and Sanitation Company Ltd (KIMAWASCO) · & lt;br& gt;In life we get paid in two coins (money and experience) and both are equally vital. Am finding my current job very much enjoyable especially for the fact that I get to mingle daily with different people, and my & quot;experience& quot; pay keeps increasing!!! Any one in need of a ...

All of these measures have helped to expand access to electricity from 32% of the population in 2014 to 75% in 2018, making Kenya one of the highest-ranked countries in Africa for access to electricity. The drive for cheaper power has led to the exploration and development of renewable energy sources, largely in remote areas of the country.
