Kioto solar Iraq

DOHA, October 29, 2024 - QatarEnergy has agreed with TotalEnergies to acquire a 50% stake in a 1.25-GW solar power project that is part of the Gas Growth Integrated Project (GGIP) in Iraq, QatarEnergy announced on Monday. The project consists of 2 million high-efficiency bifacial solar panels mounted on single-axis trackers.

The facility, set to be located in the Basra region of Iraq, will feature 2 million high-efficiency bifacial solar panels mounted on single-axis trackers. The partners will develop the project in phases, aiming to commission them between 2025 and 2027, QatarEnergy said.

State-backed QatarEnergy and France"s TotalEnergies have signed an agreement to develop a solar power plant as part of the gas growth integrated project (GGIP) in Iraq. The two companies will equally own the project, but the ...
