In addition to the equity investment,Equinor and Noriker have agreed on a strategic cooperation which will grant Equinor the opportunity to directly participate in projects being matured by Noriker.

Why did Noriker build a longer duration pure battery facility?
In March 2019, Noriker commissioned a longer duration pure battery facility located in the heart of the West Midlands. The project design was responding to changing market conditions that envisaged a greater role in Asset Optimisation and the Balancing Mechanism, partly due to a fall in DFFR prices.
