Simon Schultz from Schultz Power Systems looks legit BUT refrain from paying any deposit for any quotation on solar solutions. The prices quoted will entice you to engage with this person in particular but you will NEVER see any hardware or installation of any sort . Simon Schultz has a cocaine addiction and that is a very expensive addiction.

When Gary and Diane Shoemaker purchased Schultz Power Equipment from its former owner in June of 2004, they knew some work had to be done. Started in 1974, the business had a good reputation as the local Outdoor Power Equipment service dealer in Beloit, WI, but its company policy was to only work on the equipment they sold.
