Liam f1 uwt for sale Svalbard and Jan Mayen

What is a Liam F1 wind turbine?

Created by the Dutch company The Archimedes,it is named after the Greek mathematician Archimedes,whose principles inspired the turbine's design. Unlike traditional wind turbines,the Liam F1's spiral shape allows it to capture wind more effectively,even in turbulent environments like cities.

What is a Liam wind turbine?

LiamF1The Archimedes is an innovative wind turbine design: small,silent,and af rdable. Based upon the writings and methods of the Greek mathematician Archimedes the design mimics a shellfish,the Nautilidae (translated as ailor). We did 10 years research and development of the wind turbine Liam,and the results are spec

Does Archimedes Liam F1 mini wind turbine ship internationally?

The Archimedes Liam F1 MINI Urban Wind Turbine Shipping within three days after payment is received Quality support by phone or in person for all of our products We are happy to ship orders internationally,but for faster service (and potentially less expensive shipping options),you might try one of our international distributors

Where should a Liam F1 turbine be installed?

You can install the Liam F1 on your roof,backyard,or commercial building,but choosing the right spot is key to getting the most out of it. Put the turbine where it will get the most wind,ideally in an open area with no large obstructions like tall buildings or trees.

How fast does a Liam pole wind turbine yaw?

Due to its smaller size the mini will generate approximately 1/4 of the yield of a Liam F1. Because of its conical shape,the Liam Pole Urban Wind Turbine will yaw itself in any wind direction starting from a windspeed of 2 m/s,even when the wind direction changes a lot.

What is Liam F1 UWT flat roof construction?

Liam F1 UWT Flat Roof construction Liam F1 is specially designed for an urban environment with turbulence(rotating wind) so installation on a large pole is not required,it suffices if he just rises slightly above the roof/the wall. The turbine can be supplied in any given color so it blends in.
