Litton systems inc Dominica

Litton Systems, Inc. (Litton), indicted in April of 1977 for allegedly making a false claim against the United States government *569 (18 U.S.C. § 287) [1], has filed a motion to dismiss the indictment because of "inexcusable and prejudicial prosecutorial delay" and the "loss and destruction of exculpatory evidence." Litton contends that ...

Litton Systems, Inc. (Litton) appeals a decision of the United States District Court for the Central District of California. After a jury verdict in favor of Litton, the trial court determined as a matter of law that Honeywell did not infringe Litton"s U.S. Patent No. Re. 32,849 ("849 reissue) and U.S. Patent No. 4,142,958 (the "958 patent).
