Are LR Renewables a good company?
LR Renewables were great!LR Renewables were great. Even though my initial installation was postponed by a week I still feel a 5 star review is justified. Two great youn chaos arrived one time and had everything installed and working by lunch time. Great job and will be ordering an extra battery soon!

Purchased Growatt 5kw battery LR Renewables. Purchased Growatt 5kw battery from LR Renewables in August 2023. This company is a breath of fresh unlike other companies I got battery quotes from, other companies would harass me every couple of days not allowing me time to decide. LR Renewables tell you the price first unlike other who don"t.

LR renewables installed a battery system approximately 10 weeks ago. The initial installation was hap hazard, with the control panel being mounted at an angle and the main power on/off switch fitted loose from the wall.

I was advised by an independent electrician this was extremely dangerous. Moreover, the battery system has never worked ...
