Luxembourg solar professional

Does Luxembourg pay for solar panels?
In Luxembourg,many financial incentives offer to reimburse the cost of installing solar panels. What's more,you can opt to consume the energy produced by your panels yourself,and thus reduce your energy bill. How do you install panels on your roof? How does the installation work? What assistance is available in Luxembourg?

Where to install solar panels in Luxembourg?
Ideally, choose a company "Made in Luxembourg" and approved by the Klima agency to install your solar panels. We work with the most serious and reputable companies in Luxembourg for the installation of solar panels. If you would like a quote for your project, request a free quote.

How can Luxembourg encourage the adoption of solar energy?
To encourage the adoption of solar energy,the Luxembourg government has set up a range of grants and subsidiesthat make the installation of solar panels even more attractive. The programme Klimabonus offers to reimburse up to 62.5% of the cost of the photovoltaic installation for self-consumption contracts.
