# Mozambique aton green storage s p a

With features of great innovation in the field of energy efficiency, renewable energy and technologies for improving their use, ATON develops storage systems mainly for the residential market and small C& I, which allow you to make full use of electricity produced by a photovoltaic system, even in the evening or at night.

ATON Green Storage S.p.A. specializes in engineering and production of storage systems for photovoltaic installations, known as Battery Energy Storage Systems. They are a leading Italian company in this sector, creating custom-made, modular, and flexible SMART technology systems that manage the energy needs of a home, promoting efficient and ...

Aton Green Storage S.p.A. is an innovative SME and Italian market leader in the engineering and production of storage systems for photovoltaic systems - Battery Energy Storage Systems and one of the first Italian companies to operate in this sector.

Aton Green Storage S.p.A. is an Italy - based company primarily engaged in the engineering and production of storage equipment for photovoltaic systems. The Company manufactures and operates Battery Energy Storage System for photovoltaic plants using Smart technology to make customers use renewable energy.

La nostra missione in Aton Green Storage è guidare la transizione energetica verso un futuro più sostenibile, offrendo soluzioni avanzate di accumulo energetico e gestione dell"energia. Ci impegniamo a PROMUOVERE L"ADOZIONE DI ENERGIE RINNOVABILI, facilitando l"integrazione di fonti di energia rinnovabili nei sistemi energetici esistenti.

Aton Green Storage S.p.A. è una PMI innovativa leader italiano nel mercato dell"ingegnerizzazione e produzione di sistemi di accumulo per impianti fotovoltaici - Battery Energy Storage System e tra le prime aziende italiane ad operare in questo settore.
