Mysol solar products Malta

Solar panels are the best way to protect your home against rising energy costs - and guarantee you have a ready supply of free, clean electricity for years to come. Malta is a prime supplier of solar energy power, make your roof space on your property the best investment you ever made.

Solar Solutions Ltd is Malta"s leading renewable energy company. We are a team of dedicated specialists who set up the company in 2005 with a commitment to a high level of customer service, offering a complete solution to the implementation of renewable energy generation.

Solar Engineering Ltd is Malta"s leading renewable energy provider since 2000. We make clean energy available to private residences, businesses, schools, non-profit and government organisations at a lower cost than they pay for their traditional electricity bills.

Solar panels allow you to harness the power of the sun to generate clean, renewable energy for your home or business. By investing in a solar energy system, you"ll benefit from long-term energy savings, increased property value, and a reduced environmental impact.

At Solar Solutions Ltd, we can assist in the design and implementation of both on-grid and off-grid photovoltaic (PV) systems. Working with quality suppliers, our aim is to ensure that our clients are provided with a system that is best suited to their unique needs.

The MySol Boss is all-in-one standalone solar energy system of 3kW, 5kW or 8kW capacity. Our tailor-made green energy solution tackles the energy obstacles faced by households, institutions, and small businesses lacking grid access or those dependent on generators.

Decentralized solar PV energy at a large scale: smart electricity meters connect households, local businesses and public services such as schools and healthcare centers to our reliable, affordable and renewable mini-grid electricity.
