Norfolk Island sorotec power solutions expert

With our commitment to quality, innovation, and customer satisfaction, Sorotec is your trusted partner for cutting-edge solar inverter and lithium battery solutions. Experience the power of Sorotec and take your energy independence to the next level.

sorotec machinery co., ltd. We are an professional expert specialized in the research and development, manufacturing, sale and service of diesel generators & light towers for standby or rental market.

SOROTEC"s inverters have advanced grid control capabilities, guaranteeing a smooth connection between the solar power system and the grid. The inverters monitor the grid conditions through intelligent control algorithms and adjust the electricity output of the solar power system in a timely manner to meet the requirements of the grid.

Complementing our solar inverters, Sorotec offers a range of lithium battery solutions ranging from 5kWh to 15kWh, providing efficient and reliable energy storage for residential and commercial applications.

Latest HES 6-8kW series inverter from SOROTEC. We are pleased to introduce our latest product - the HESIP65 inverter. As a leading energy solution provider, it is a versatile inverter that can convert the DC power from photovoltaic cells into AC power for use in homes and commercial buildings, as well as feed the excess energy back into the grid.

Whether part of a solar power system or a backup power solution for homes, the pure sine wave inverter provides stable, efficient, and reliable power support. Its excellent power output quality and advanced smart features help ensure the long-term stable operation of home appliances while avoiding damage caused by unstable power.
