American society has co-opted the term as both an alibi and a means to continue oppressing the Asian American population in the same way it did centuries ago through Orientalism. The MET"s publicly lauded display is just another case of Orientalism molding the narrative on Asian Americans in this day and age without being held to account.

5 ???· American Samoa, unincorporated territory of the United States consisting of the eastern part of the Samoan archipelago, located in the south-central Pacific Ocean. The capital, Pago Pago, was a strategic naval base for the U.S. military (1900-51) but now serves as a commercial port of call.
