Posts about Pandora Energy written by Denis Chabrol. The 100 percent-owned Guyanese recruitment company, Pandora Energy, says it has made significant progress in hiring Guyanese to work on vessels associated with the exploration and production of oil in Guyana and several other countries, after initially experiencing stiff foreign competition.

Pandora Energy, a Guyanese owned recruitment firm recently received international accreditation from the American Bureau of Shipping (ABS) for its manuals and systems for operations. This global recognition was bestowed upon the company after it was found to be in compliance with the Seafarers Recruitment and Placement Providers (SRPSP) ...
