Photovoltaic equipment Bahrain

The most common product being manufactured by solar companies are the solar photovoltaic (PV) panels, which are made with several subcomponents such as solar wafers, cells, glass, back sheets, and frames.

Solar One is Bahrain"s first solar panel manufacturing facility. Our mission is to produce high quality solar panels using state of the art technology. To provide clean, free energy for everyone.

Founded in 1981, Motech Industries Inc., also known as Motech Solar, is dedicated to the research, development, and manufacture of high-quality solar products and services, ranging from photovoltaic (PV) cells, PV modules, to PV systems.

We offer turnkey solar installation and services across the Kingdom of Bahrain & GCC. Almoayyed Solar Company, a division of Almoayyed International Group, provides integrated solar solutions with all necessary components and materials required along with lifetime maintenance services.
