Powerbox systems Solomon Islands

IN STOCK NOW Features 18-channel radio control system: Full 2048-step resolution for all 18 channels Genuinely redundant 2.4GHz transmission for extreme resistance to interference Extreme range Redundant PowerBox power supply system with Li-Ion batteries Powerful real-time telemetry Up to 800 telemetry values per s

The SparkSwitch RS is a compact, high-performance ignition switch featuring rotational speed (RPM) monitoring and optional voltage regulation for 6V ignition systems. item. 6600 Features-Optical separation between the receiving system and the ignition system-External LED switch status indicator-Regulated (6.0V) or pass

PowerBox-Systems manufactures high-quality power supply equipment, and has now been working for more than a year on its own independent radio control system. On the face of it we may seem a little tardy in introducing a new 2.4 ...

Powerful dual battery power supply with 7 channels, voltage regulators and telemetry. Item: 4250 Product description The PowerBox Evo is an ultra-compact dual power supply featuring 7 channels, regulated output voltage and ...

Description Five different receivers are available to match the PowerBox CORE:PBR-9DThis is a nine-channel receiver with two redundant receiver circuits. The unit features a P²-BUS interface for servo and telemetry data, and an auxiliary output which can be configured either as SRXL bus or as channel 10.PBR-7SThis is a

The PowerBox Pioneer is the latest development of a 14-channel power supply unit without voltage regulation, designed for HV servos. Since the unit has no voltage regulators, nor the large heat-sink surfaces required for them, it offers ultra-compact dimensions. Even so, the Pioneer still provides redundancy, as is the standard for all power supply units made by PowerBox-Systems.

Premium servo extension leads are manufactured using the renowned PowerBox Premium cable. The cable is extremely flexible, and is made up using very thin individual strands in order to pass the maximum current through the given cross-sectional area of 0.35mm². ... PowerBox-Systems Americas Corp. 2220 CR 210 W- Suite 108-515 St. Johns, FL ...

World Leaders in RC Power Supply Systems. WILLKOMMEN im neuen Online-Shop! NEU-REGISTRIERUNG erforderlich! Sie erhalten 5% RABATT* mit dem Code NEW-SHOP-2024 auf Ihre erste Bestellung im neuen Online-Shop! *Einmalig einlösbar, Mindestbestellwert 50 Euro, nicht mit anderen Aktionen kombinierbar, gültig bis 31.12.2024, nicht in bar auszahlbar, ...
