At Premier we are committed to contributing to the development of renewable energy as a clean source for electricity generation. The world faces a huge problem with increasing greenhouse gas emissions, which contribute to global warming that the planet is experiencing in recent years.

BORGO EGNAZIA, Italy (AP) -- Italian Premier Giorgia Meloni on Saturday dismissed a cease-fire offer for Ukraine by Russian President Vladimir Putin as "propaganda," as she wrapped up a Group of Seven summit that saw a deal reached for a $50 billion loan to Ukraine.. The loan will be provided by the U.S., U.K., Canada and possibly Japan, Meloni said.

MILAN (AP) -- Italian Premier Giorgia Meloni"s program to screen asylum seekers outside of European Union borders in Albania hit another snag when a court in Rome refused to rule on a formal request to detain seven migrants transferred to the Balkan nation last week.. The decision Monday meant the seven migrants, hailing from Bangladesh and Egypt, ...
