We facilitate the development ...

We obtained bids from seven different solar companies and Premier Solar NW was head and shoulders above the rest. Our system completely covered our electrical use for the entire year. The only thing we paid to PGE was the basic fee of $12.06/month, which everyone has to pay. We love our solar system and we love Premier Solar NW. read more

Premier"s 1J output PRS Pro 100 Solar Energizer. will reduce energy demand when the fence"s voltage is high--due to fewer weeds touching the fence.. This occurs in fall and winter for most fences, and occurs all year for some horse, cattle and deer fences. As a result, the unit"s batteries are more likely to remain charged through the low sunlight days of autumn and winter.

Our commitment to our customers is to maximize the lifetime value of their solar investment. Whether you need minor repairs, maintenance or a replacement part, our team of experts are here to help. Premier Solar Northwest offers free ...
