The ESBox 3000 will always keep your lights, computer and fridge on and phones charged when there is sudden power outage. It can also become an off-grid electrical system with solar energy when the grid fails. The ESBox 3000 is designed as independent power supply and equipped with 2 USB ports and 1 USB-C port, 3 12V DC ports and 2 AC ports.

b) The ESBox information is incorrect and does not match AutoX"s records and/or the ESBox information was tampered with and/or AutoX"s original markings and labels are not on the ESBox and/or the ESBox is not an authentic AutoX manufactured or supplied ESBox. c) The ESBox is out of the warranty period and is thus not a valid claim.
