The REVAlution spools are a nice small and compact spool with a clever loop-retaining system that can rotate to wherever you need it to keep your hooklength tight. No more fiddly pins! Despite the smaller spool, up to 20 hooks can still be stored on these so don"t worry about the smaller design.

There is an area on the spool for easy rig identification, displaying rig length, line diameter as well as hook size and type. 21 spools are supplied in a storage box which has a semi-transparent lid, helping to eliminate light from the box.
